

If you've received the Flu Vaccine at a facility outside UT, you can submit documentation by selecting the following option:

This should take you to the "Confirmation of Influenza Vaccination" page:

Select the following:

1. Location
2. Date of reception
3. Flu Documentation by clicking the "Upload" button

Once the file is selected, you should see a green highlight with the file name. The green highlight indicates that you've submitted a valid image file.

**Confirmation of Influenza Vaccination**

Where did you receive this season's flu vaccine?

Location Not Listed

When did you receive this vaccine?

Upload photos/scans of your vaccination documentation:

Click "Submit", you should see the following page:

The message shows that you've successfully submitted the documentation. An administrator would have to go in and approve what you've submitted.
